Subject: Aanandi 3 Update - 14

Building Work As It Moves:

Now that we have Aanandi 3 up and running, the remaining works on the facility e.g. the building of the rainwater harvesting tank, compound walls is moving at a snail's pace. We have spoken to the construction company people to speed up the work so

that we are fully finished and can use our grounds more productively. But considering our pending bills and their other work pressures they do not seem too interested at the moment. All the vegetables and trees we planted in front of Aanandi 3 are doing well and we have already managed to harvest the first crop of zucchinis! Flowering and some fruit trees like mangos and guava have taken root in the new soil.

Funding for Aanandi 3:

US \$ 250 from Teresa Huntley was hand carried by Lynne Brennan who rounded it off to give us Rs, 25,500. This month we were also lucky to receive **\$1000 from the Giving is Living Fund, \$ 1000 from Patricia Cooper and \$ 1500 from Susanne/Bill Jalbert via the Global Fund for Women.**

Local Fundraising:

Riva/Suman Thapa made a gift of Rs.100000 as a part of their pledge. Renu Rai from UK, a friend of treasurer Rama Shrestha gave us Rs. 13,000. Meera Jyoti gave us her partial pledge of Rs. 300,000! Tewa Board, members and staff collected Rs. 335,000 jointly as their gift for Aanandi 3 and handed it over during a facilitation programme to celebrate Rita being nominated the Chair of Global Fund of Community Foundations as the best gift she might value!

We continue to raise funds, and are once more ready to handover at least \$10000 to the contractors.

Conclusions:

We are lucky to have finished the Aanandi 3 residential block. Ever since, it has enabled us to have overlapping booking and we have not had to turn off a booking for the use of our facilities.
